As a result of a labour dispute between [Canada Post](#) and its workers, the crown corporation may impose a lockout on its workers, or a strike by union members may be called.

Because of the uncertainty surrounding this unfortunate development, we ask that all payments made during the duration of any service disruption, be made by credit card.

For more information on how to do that, [click here](#).

We will follow all developments related to this issue and keep our customers aware of how their dealings with us may be affected.

Thank you for your understanding.
