We are pleased to announce that the Bonar Institute for Purposeful Leadership now accepts Visa and Mastercard. Credit card payment is done through our new invoicing software. Simply click on the link in the invoice email and, if a client has accepted the [Client Portal](#) invitation, a copy of their invoice will open in a new tab. From there, all clients have to do is hit pay now and enter their credit card information and billing details.

In most cases, clients must register for the Client Portal to use a credit card to pay for our services.

In the portal, clients can view and download invoices and statements. They can also pay for services, update contact information and more. A registration email for our portal is generally sent concurrently with our invoices.

Other credit card payment options include, providing their credit card details, in person or over the phone. With that information we will charge the balance of their outstanding invoice.

The Bonar Institute does still accept cheques. Please send them to the address provided on all Bonar Institute invoices.

From our [website](#), tickets to upcoming events can be purchased. Information on upcoming events will be provided at a later date.

We hope that these measures will provide our clients greater convenience when it comes time to pay for our services. As we continue to grow, we will expand investment in projects that make doing business with us easy, secure and efficient.
