

Mr Paul Bisson Joins the Bonar Institute

**James de Gaspé Bonar
Ph.D., CEC, PCC
September 06, 2016**

We are pleased to announce that Mr. Paul Bisson has joined the Bonar Institute as an associate.

Mr. Bisson is Chairman of the Board of Directors of CDI (Biotech in Dentistry), Member of the Board of AEGO (Gatineau/Ottawa Executive Airport), Special Advisor to Polymateria Limited, London, UK, (Biodegradable Plastics). He was President, COO and co-founder of CRL Technologies, a leader in aerospace micro-electro optics R&D; and CEO and co-founder of ART Advanced Research Technologies, creator of a medical imaging system (approved in Canada and Europe).

Mr. Bisson studied Leadership and Corporate Governance at Harvard University's Graduate School of Business Administration. He also taught at the University of Ottawa from 2007 till 2014. He was the recipient of the prestigious Trudeau Medal for his commitment to the community, to the university, and for his business achievements.
